

The Coconut Collaborative: Sensationally tasty new products **4 new products from The Coconut Collaborative**

Langenhagen, October 5th, 2021. They've managed it again! The Coconut Collaborative from London has developed four sensational new chilled products. Uplegger Food Company will launch the three desserts and one yoghurt-alternative onto the German, Dutch and Austrian markets.

And here they are:

- The yoghurt-alternative **Greek Style Coconut and Almonds 350g** contains live cultures. It's firm and creamy just like Greek originals made from cow milk.
- The **Vanilla Cream Dessert 400g** is a must-have for all foodies. The cream is made with genuine vanilla. It is without milk or soya and is gluten-free. It can be enjoyed warm or cold as a dessert or as a vegan alternative to custard.
- It's hard to believe that **Chocolate Melt in the Middle Dessert 2 x 90g** is vegan. Also enjoyable warm or cold. And without milk and gluten-free.
- And for all peanut fans, there is the **Peanut Butter Chocolate 2x 100g Dessert**, a heavenly combination of chocolate and peanuts – unique in the market.

All 4 products are available as of Autumn 2021. 6 packs per outer. RSP Greek Style Coconut and Almonds € 3.49, Vanilla Cream €2.99, Chocolate Melt in the Middle € 3.79 and Peanut Butter Chocolate € 3.19.
